Key Club's Korner:

> *DCON is Mar.26th-28th* All attendees are being asked to bring a new children's book to donate to **Page Ahead**, for details visit www.pageahead.com

> Our Web Tech Committee plans to post permission forms on our website to encourage K.C. and other high school students to participate in our **blood drive**.

New Business:

> Members discussed and voted to approve the expenditure of \$500 to co-sponsor the kid's activity events at the **Sammamish Farmers Market for 2010**. Not only will this give us an opportunity for greater exposure but it ties in nicely with our focus on children. The sponsorship includes a commitment to staff the non-profit booth at least twice, otherwise there is actually little for members to do since the kid's activities will be coordinated and performed by young student volunteers.

> The annual **Boys & Girls Club KidsBreakfast** fundraiser is May 5th from 7:30 – 8:30 AM at Sahalee Country Club. Nicky will represent our Kiwanis club with a \$500 pledge. She will be soliciting other clubs in our Division 28 to attend and support the event also.

> A reminder that **Dr. Hilarie Cash** will be speaking on **Internet and aspects of computer addictions** at Sammamish Public Library on Mar. 25th at 7 PM

> **The Snowman Foundation's annual TEN GRANDS** Concert event is **May 21st** this year. Nicky has a sign up sheet for those wanting to reserve the \$42 tickets to the event. (Members are asked to e-mail her for reservation) Tickets are going very fast this year. For details go to www.snowmanfoundation.org) or www.tengrands.com

Old Business:

> We are **now a 501c3 fully tax deductible**, non-profit organization so those members who's employers offer matching donations for community service hours please keep track of your volunteer hours and take the time to fill out your reimbursable application forms. Keep a copy for yourself and one for Doug H., Treasurer.

> Dave Sanford reminded us to show up to the **Habitat Build (April 10th)** prepared to get dirty! Beth was making arrangements for a "picnic lunch" on site for our group. The Americorps team will join us and a \$50 +/- budget to cover the cost was approved. For those volunteers who are interested there will be an informal gathering for a drinks-and-snack-social at the end of the day. (location TBD)

You will find a FAQ at www.habitatekc.org/construction/build-day-faq.html
